

# STATEMENT

**Eurocamp 2020 is cancelled.**

Royal Ranger code calls us to be alert and our motto is ready - usually going forward, but it also includes being sensible and responsible. This is why we are sorry to announce that Eurocamp 2020 is cancelled because of the COVID-19.

**The decision wasn't an easy one.** Obviously, we all wish that the virus is under control as soon as possible, but that is also something that we cannot control. It is nevertheless our responsibility to put the health of 8000 rangers as a priority and to prevent the possible financial losses (for Eurocamp, Nations and individuals) that the last-minute cancellation might cause.

**Still this decision wasn't made out of fear.** It was made because after all the research, prayer and going through all the possibilities this was the responsible way to do. An event as big as Eurocamp cannot be planned in such an uncertainty.

Anyway - we appreciate your willingness to join us at this camp. Your eagerness to make a difference. Especially those who were ready to serve in the planning and running the camp. Our special thanks go to our Swiss host team that has worked hundreds of hours. Thank you. We are amazed by you.

"For God has not given us a spirit of fear, but of power and of love and of a sound mind." 2.Timothy 1:7

**Even though the Camp is cancelled we do believe that we can make a difference.** Now is our time really to "Make a Difference". Take care of each other. Show neighbor love. We are needed - even from home we can call people, chat and be there for each other. We will be stronger after this.

**Next Eurocamp takes place in 2024 - and we hope that we will see you there.**

If you have any questions, please contact your leader.

With apologies, love and blessings,

Eurocamp team
